A Word About Girls Nation

Back in the depression ridden days of the early 1930's, the American Legion grew concerned over public statements to the effect that Democracy was "on the skids." How, it wondered, could America train its young people in the processes of self government as effectively as Fascist Italy and Nazi Germany seemed to be training their youth groups in the promulgation of totalitarian forms of government. Deciding that the best way to learn something was by practicing it, American Legionnaires began, in 1935, to gather teenage representatives of high schools together for a few days each summer in a citizenship training program on the processes of city and state Government. They called it "Boys State."

As this program succeeded and spread throughout the United States, the American Legion Auxiliary began providing similar opportunities for girls of high school age. Thus "Girls State" was founded. The first Girls States were conducted in 1938 and since 1948 have been a regular part of the Auxiliary's better citizenships program. In 1977 Girls State sessions are being held in all of the 50 states, as well as in the District of Columbia.

Girls Nation, the youth citizenship program in the processes of federal government to which Girls State sends two "Senators" each, is an annual climax to the Girls State program and has been held in the Nation's Capital for one week each summer since 1947.

Girls State is staffed by American Legion Auxiliary members who volunteer their time and effort to this enterprise. Its administrative costs are defrayed by their Department (state) organizations. All costs for Girls Nation, including transportation, are financed by the American Legion Auxiliary's national organization. Delegates to Girls State are selected with the help of high school principals on the basis of potential leadership qualities and must be between their Junior and Senior years in high school to qualify. Through these programs, it is estimated that each summer the American Legion Auxiliary is adding 19,000 girls trained in the processes of government to a group that by the end of 1977 will total about 533,000.

On Washington's Birthday, February 22, 1964, the American Legion Auxiliary received one of the four top Americana Awards from the Freedoms Foundation at Valley Forge honoring its 1963 Girls Nation Program. Other Girls Nation Programs have helped to win similar George Washington Honor Medals, including the ones in 1971 and 1972. In 1977, the Joint Bicentennial Session of Boys and Girls Nation won the Freedoms Foundation Distinguished Service Award.

THE AMERICAN UNIVERSITY, site of The American Legion's Auxiliary 31st annual Girls Nation, was chartered by an Act of Congress of the United States on February 24, 1893. The 75-acre tract is on the site of old Fort Gaines, a historic Civil War military installation. The University was officially dedicated on May 27, 1914, at ceremonies in which President Woodrow Wilson and a distinguished group of statesmen, educators and churchmen participated.

The National President of the American Legion Auxiliary, Mrs. Paul Brown, greets delegates to the 31st Annual Girls Nation. **(Far Left)**

Following a presentation of a special Girls Nation Bracelet made from the Girls State pins from the delegates home states, Mrs. Brown **(right)** shows the bracelet to the two delegates from her home state of Idaho, **(left)** Caryn Jones and **(center)** Karen Lipsey.

Graduates of Girls Nation:

What a challenging experience you were given when you attended this 1977 session of Girls Nation. You must have been overwhelmed by the activities in which you participated. I feel sure that you felt inadequate at times but you did persevere and many of you were successful in your effort to acheive your goal.

This is the exact reason for your being chosen to attend the week-long course in Federal government. You were leaders and were capable of competing and overcoming the difficulties. The pictures in this year book will forever be a reminder of your association with so many fine young people and your distinguished adults.

Thank you for being such special citizens. We all wish for you the very best life has to offer. We will have an even better America because of your involvement in your communities, state and nation.

Very truly yours,

Norma Brown
Mrs. Paul Brown
National President

Mrs. Paul Brown (Norma) of Filer, Idaho was elected President of the American Legion Auxiliary at the organization's national convention in Seattle last August. The wife of a farmer and a teacher of 13 years, Mrs. Brown has held elected office at every level of the Auxiliary.

She has held major appointments on nearly every committee of the organization and has been actively involved in all of the organization's programs including four years at Girls Nation as a member of the staff.

ARLINGTON

Top and Right: Delegates observe the rigid procedure of the changing of the guard at Arlington National Cemetery. **Left and Center:** Terri Veneri and an honor guard of Sandra Matrone, Jennifer Weston, Nicole Kelly, Janet Murguia, Melanie Branham, Maureen O'Reilly, Jo Lynn Acarregui and Melissa Cooper participate in a wreath laying ceremony at the Tomb of the Unknowns.

"Here rests in honored glory an American soldier known but to God" reads the inscription on the Tomb of the Unknowns in Arlington National Cemetery, just across the Potomac from Washington. In the sarcophagus, under the 50-ton block of marble that caps the tomb, lies the body of an unidentified soldier who fought and died in World War I.

Flanking the tomb are the graves of two other unknown soldiers who were interred beneath the gray granite plaza on Memorial Day in 1958 to commemorate the unidentified American dead of World War II and the Korean War. Only the dates of the three wars (1917-1918, 1941-1945 and 1950-1953) mark the graves and the Tomb.
