Be It Enacted By The American Legion Auxiliary New Mexico Girls State 2016

Section I. Body: Every school year, a teacher is asked to supply their own needs for their classroom and lesson plans for the year. Teachers and the supply they use is just as important as nurses and the supply they use. I strongly suggest that just as the medical field is given their supply, teachers should also be given their supply.

Section II. Definitions: Supply- books, workbooks, printer paper, calculators, and new technology.

Section III. Penalty: A grant should be given to teachers because they supply the knowledge to the foundation of America.

(Note from review: Grants are not government issued so another way would be needed to fund. Also use "would" not "should" as this is a fact not a suggestion.)

Section IV. Repeal: All laws, acts, provisions, or parts of laws contained in the Constitution of the State of New Mexico in conflict with any provision of this act are hereby repealed.

Section V. Effective Date: This act shall become effective immediately upon its passage and approval by the American Legion Auxiliary New Mexico state Governor or its otherwise becoming a law.
