7 I propose that the state enforces a Three Strike Your Out policy where all DUI and DWI
8 criminals lose their access of their license for two years. Often times DUI and DWI criminals
9 take their punishments too lightly. Enforcing this bill will encourage DUI and DWI criminals
10 that their crime is serious and should not be taken lightly.

11 In 2014, 9,967 people were killed in alcohol impaired driving crashes accounting for nearly
12 one third (31%) of all traffic related deaths in the US.
