8 projects that help to better our country; Remembering that women
9 can also have an impact in the career of science; Declaring
10 Friday, November 10, 2017, "Leona Marshall Libby Memorial" in the
11 Senste.

12

13

14 WHEREAS, male scientists are recognized for their participation
15 in projects that help advance our society; female scientists
16 appear to be pushed aside; and

17 WHEREAS, many young women are not aware of important female
18 scientists that were a part of incredible projects that allow the
19 United States of America to be considered a

20 First world country through the advancement of our technology,
21 thus not allowing young women to have many female role models in
22 the field of science;
