An Act

The state Recycling Act will provide recycling facilities in Public spaces. The city will have a free recycling building in each city.

Be It Enacted By The American Legion Auxiliary New Mexico Girls State 2015

Section 1 – This act may be cited as “ The State Recycling Act”

Section 2. Definitions.

- A. Public places can be defined as places where large groups in a community gather together in one place
- B. Recycling facilities can be defined as recycling bins, sorting buildings, and staff to work said buildings.
- C. Recyclable goods can be defined as paper, plastic, aluminum, and cardboard.

Section 4.

The state Recycling Act entails that

- A. All public places in the state of New Mexico be required to place recycle bins on their property.

Section 5.

This act shall be effective on or after June 10, 2015
