A Resolution

Whereas ENMU hosts the American Legion Auxiliary New Mexico Girls State in Eddy Hall dorms free of charge. They also provide usage to the ballroom and cafeteria.

Whereas Girls State the days are very long and tiresome so sleeping in a comfortable living space is very considerate of ENMU.

Whereas also with a big enough living space to store clothes and other necessities, ENMU has provided us with a very comfortable environment very much contributing greatly to our needs.

Be It Enacted By The American Legion Auxiliary New Mexico Girls State 2014

The Wednesday of Girls State week shall be dedicated to an All-Girl trash and cleanup at the facilities we take advantage of.
