**An Act**

In the state of New Mexico the traffic violations are strict but I believe that they should enforce this more. There are some city lights that don't have cameras in case a car skips a light. This law should be enforced because people are getting away with just a ticket when they could have been a big disaster.

Section 1. Definition.

A. Violations- not following what you are supposed to by law.

Section 2. Penalty. People who violate traffic should not only get a ticket by go to court and have some type of classes. Also have every city that has traffic lights put cameras on every single one.

Section 3. Repeal. All laws, acts, provisions, or parts of laws contained in the Constitution of the state of New Mexico in conflict with any provision of this act are hereby repealed.
