AN ACT

RELATING TO all household breed domesticated animals, as these animals are inbreed to

9

ensure a pure bloodline. My position relating to this bill is that inbreeding is wrong and

10

should be illegal, banned, and prohibited across all of the state New Mexico.

11

BE IT ENACTED BY THE LEGISLATURE OF THE AMERICAN LEGION AUXILIARY NEW

12

MEXICO GIRLS STATE:

13

SECTION 1. DEFINITIONS. -

1 SECTION 2. PROVISIONS. - Dog breeding has been happening for most of human
2 existence, we humans have and still do breed selective traits in dogs. Dog breeders
3 carefully choose which dogs to breed from based on a number of different characteristics,
4 such as the way it looks (nose shape, ears, size, coat color and fur type), its general health,
5 and its temperament. A breeder's aim will be to produce puppies that have similar desirable
6 characteristics to their parents, and they do this by inbreeding. Each case is different of
7 course, some breeders may not know that the dogs they breed are related. This causes the
8 puppies to have deformities. Dogs such as pugs and bulldogs have trouble breathing
9 caused by small, short noses, and can not give love birth due to heads that can not be
10 passed through the uterus in birth these traits have been selected only to benefit people
11 and not the dog themselves. I am hoping this bill will prevent farther harm to dogs in the
12 future.

13 SECTION 3. PENALTY. - If breeders do not follow this soon to be law then they should
14 have a fine of \$800 and loss of their breeding operations. These operations include the
15 dogs related in breeding.

16 SECTION 4. APPROPRIATION. -

17 All laws, acts, provisions, or parts of laws contained in the Constitution of the State of New
18 Mexico in conflict with any provision of this act are hereby repealed.

20 This act shall become effective 90 days after it's passage and approval by the American
21 Legion Auxiliary New Mexico Girls State Governor or it's otherwise becoming a law.
