A MEMORIAL

8

9 WHEREAS, Scoliosis is something many people do not know much about. Many might
10 know that their spine is in an S shaped position. But many do not know what kind of effects
11 it has on lives with people who do have it. If one has scoliosis doctors recommend having
12 surgery, which is cutting open their back turning their back a certain degree. Therefore
13 making scoliosis a memorial would be very important, you are recognizing those who live
14 have been changed from it. Which to having the effect of not being able to bend over,

1 possibility set paralyzed it gotten to a certain point. There is also effect of becoming must
2 backed, back pain, and also discomfort with in yourself.; and

3

4 NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE AMERICAN
5 LEGION AUXILIARY NEW MEXICO GIRLS STATE that scoliosis awareness should be
6 brought to attend of becoming memorial, through the suffering and effect is has on many
7 lives citizen would be recognized for it.
