A MEMORIAL

8

9 WHEREAS, Hotda is a day for grandmothers; and

10

11 WHEREAS, Mother's Day is on May 12th and Father's Day is on June 16th. There is no
12 specific day to appreciate grandmothers and that is outrageous because grandparents
13 especially grandma's are the one to keep the family strong. They are the ones who can
14 pass down a tradition to the next generation and the next; and

15

1 WHEREAS, many appreciate what everyone does but they should give all the credit towards
2 the hotdas because they support you with every love they have in their heart and soul, they
3 are very passionate, give the best hugs, and make the best cookies in the world. It is
4 imperative to create a memorial called Hotda's Day because we all must appreciate and
5 respect the love Hotda's have for us. Once they leave this world, it is going to be one of the
6 hardest things to deal with; and

7

8 NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE AMERICAN
9 LEGION AUXILIARY NEW MEXICO GIRLS STATE that a memorial that is all about the
10 hotda's (grandmothers) be declared on the 3rd Sunday of July, as Hotda's Day. During that
11 day cookouts will be held for families, parents and grandchildren will be able to have that
12 spiritual connection once again.
