Santa Fe Texas High School Shooting

9

WHEREAS, WHEREAS, On May 18th 2018 at 8am, Santa Fe high school in Texas

10

USA shooting had occurred. The shooting had ten people killed and thirteen people

11

wounded. May, we think of graduation but in Texas they thought of the Horror that just

12

happened, High school students should worry about prom, qualifying for state and boy/girl

13

problems not the possibility of them trying to live after seeing a school shooter. Seventeen

14

years old that's how old the shooter was he let people live so "his story could be told" that is

15

something we shouldn't hear. Twenty-five minutes is all it took for him to kill

1 teen people and injure thirteen people. Imagin getting a phone call first thing you hear as a
2 parent is "sorry to inform you but your child was killed in a school shooting".

3 The mother of Sabika Sheikh, seventeen years old exchange student from pakistan
4 had to experience that, its not something easy. Christian Riley Garcia fifteen years old was
5 one of ten of the people killed.

6 I believe May 18th should always be remembered or any other school shooting that
7 has happened should be remembered within other high schools in our country because not
8 everyone is lucky enough to live or forget a shooting they were in especially in his school.
9 Every student is seen as a mature child and not a full grown adult. May 18th should be
10 remembered that why i believe it should be a remembrance day in the united states.
