11

MEXICO GIRLS STATE:

12

-Where as; in New Mexico, End of coure Exams are suppost to reflect the teachers ability

13

to teach, but in reality they are just testing the students ability to retain information. This

14

make is the kids responsibility to insure that the teacher still has a job

1 -Where as; the impact on the students cause them to stress out about the test affecting
2 their personal grade, This also effects the teachers Because they put their trust into High
3 schoolers hand and capabilities what they can retain

4 -where as; student lose sleep from trying to study for an extra tests that does not pertain to
5 them. Sleep is a huge important issue for High Schoolers, the average amount of sleep
6 teenagers in is about 6 hours each night. student trying to study for exesive amount testing
7 adding to stress levels, and the lose sleep when they are stress.

8 Be it resolved throu ALANMGS that End of course Exams will be no more. To replace
9 E.O.C.'s, the staff of the school will randomly select a day and class period to stop by the
10 teachers class and evaluate them throu watching them teach. This puts in more into the
11 teachers hands instead of the students.

12 This will be implemented one city at a time. There will be the test subjects, to make sure
13 the execution of the plan works. Then will be slowly but surely moved through out the state
14 of New Mexico, through the course of 5 years. This, one in effect after the 5 years, will
15 continued until their is farther inform.
