MEMORIAL

70TH SESSION – AMERICAN LEGION AUXILIARY NEW MEXICO GIRLS STATE – 2017

INTRODUCED BY

A MEMORIAL

Memorial for Cheerleaders

WHEREAS, WHEREAS, I declare the 7th of December to be the memorial for cheerleaders. On a day this past year, in Aztec New Mexico there was a school shooting. Two people got shot. One fo them being a Aztech Cheerleader. Personally, I had no idea who she was or what type of situation she was in. the school shooting was an eye opener for may schools, communities and as a state. Has a cheerleader myself, it is scary to see that situation like that can be so close to home. Cheerleaders are put to a higher stander then most girls, or people in general.

1 Has this memorial means huge to me, the state of New Mexico should see how it
2 still affects people and mostly cheerleaders. Cheerleaders in the state of New Mexico get
3 harassed, threatened, and worse. Most schools in New Mexico may take it serious, but
4 more then half will not. Living with a fear to go to school, practices, or even comp. Not
5 knowing the situation on first hand, it could of been planned or just at random. Either way
6 for cheerleaders all over the world or even just in New Mexico, we live with that fear.

7 in memorium, I would like to put those cheerleaders in our hearts on that day. Not
8 many of us can relate but most can. To keep those in our hearts , minds, and prayers in
9 times like this and on the 7th of December. Azteck New Mexico is such a strong
10 community, and has a stronger, cheer team for over coming this hard time and still going
11 out and doing everything for their late team member. #AztecStrong
