INTRODUCED BY

A RESOLUTION

Bullying Resolution

BE IT RESOLVED BY THE LEGISLATURE OF THE AMERICAN LEGION AUXILIARY NEW MEXICO GIRLS STATE:

SECTION 1**. The problem of bullying has been around for a long time and has worsened over the years. Also, many new types of bullying were discovered. Bullying is a cause of many suicidal deaths or even regular deaths; the bully may be very aggressive.**

Bullying may be cause dby many reasons; reasons we can very much possibly prevent. Bullying may be caused by the reasons such as jealousy, miscommunications, being bullied from someone else, hatred, and many other reasons but these can all be resolved.

To resolve the issues of bullying we must prevent it. If someone is spreading hate, try to spread peace and love to help better everyone's life. If the issue is miscommunication, people may chose their wiser and try to have no people offended by what is said. To every issue there is a way to resolve it, you must look at the issue at hand and find something that counters it.

By having bullying resolved, it will make life more peaceful. It will not solve everything but a lot of it the little issues. When little issues are resolved it starts going into the bigger ones and it continues on. Let's end bullying now for a brighter better tomorrow.

SECTION 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or at any special election prior to that date that may be called for that purpose.
